

Communication in 2018

Visitors

583 French visitors 95 international visitors from 10 countries
 over 600 participants in technical and scientific events co-organised by GEVES

New

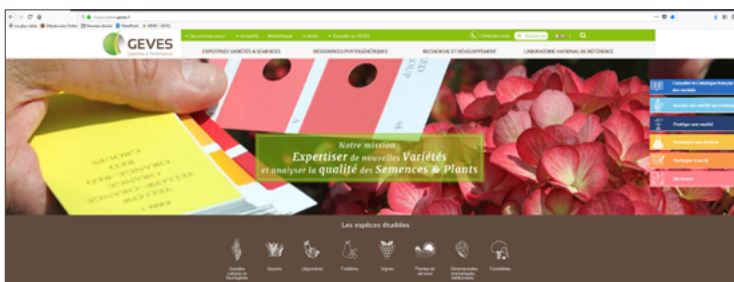

Newsletter "GEVES info"

In 2018, GEVES developed a new communication tool to provide information on GEVES's expert activities in plants and seeds, at national and international levels.

The first three issues of the "GEVES info" newsletter were published in March, July and October, in French and English, and distributed to 2,500 contacts.
